# **ERVICE MANUA**

## AUDIO PROGRAM TIMER

### 

AT-700 is additional model which external appearances

are different from those of AT-202.

This manual contains OTHER PARTS LIST, PACKING LIST and ACCESSORY LIST in which changed parts are printed with bold-face.

For other parts list, refer to AT-202 service manual previously issued.

### •SPECIFICATIONS

| Clock type            | 12-hour digital clock                   |
|-----------------------|---|
| Display accuracy      | Max, ±10 sec monthly error              |
|                       | (synchronization with AC power supply)  |
| ON/OFF preset timer   |   |
| Preset                | ON, OFF times can be preset             |
|                       | in 1-minute units                       |
| Timer accuracy        | Set time +0.02 sec max.                 |
| Sleep timer           | Any setting up to 1 hr 59 min           |
|                       | in 1-minute units                       |
| Time counter          | Max. 1 hr 59 min 59 sec,                |
|                       | 1-second 1-count system,                |
|                       | switching between minutes/              |
|                       | seconds and hours/minutes               |
| AC outlets            | 3, total capacity of 700 watts          |
|                       | (EUROPEAN; 550 watts)                   |
| Power requirements    | 110~120V/220~240V                       |
|                       | (50/60 Hz)                              |
| For U.S.A. and Canada |   |
|                       | 120V (60 Hz)                            |
| Power consumption     | 7 watts                                 |
| Dimensions            | 430 mm (16-15/16") W                    |
|                       | 56 mm (2-5/16") H<br>143 mm (5-1/16") D |
| Weight                | 1.3 kg (2.9 lbs) net                    |
|                       | L. / kg (3. / lbs) packed               |

Design and specifications subject to changes without notice for improvements

#### CAUTION

- 1. The symbols, UL, CSA, SA, BS, UK, EU, AS, XX < EXPORT > and XX-V < EXPORT(V) > on the parts list and the schematic diagram (Underwriters Laboratories approved model.) Manufactured for United Kingdom market. Manufactured for South African market. Manufactured for Canadian market. Manufactured for U.S.A market. mean followings respectively BS, UK.. CSA ..... .:. 5
  - Standard Version with Inner Voltage Manufactured for European market. Manufactured for Australian market. XX <EXPORT>.....
- Standard Version with Outer Voltage Selector. XX-V < EXPORT(V)>
  - Common Parts. Selector. NON MARK .....
- dicated at the ends of the board names. However, the individual parts To separate these in this service manual, the stock No's are not in-Some printed circuit boards are not supplied as the assembled. on the circuit boards are provided by orders.
- Since some of capacitors and resistors are omitted from parts lists in this service manual, refer to the Common Parts List for capacitors & resistors, which was issued on February 1983. က်
- Abbreviations in this service manual are as follows.
